SOUTHERN COUNTIES CANINE ASSOCIATION

Dear Trade Stand Holder,

We shall be pleased to welcome you to our Championship Show which is to be held at The Royal Berkshire Showground, near Newbury in Berkshire on Friday, Saturday and Sunday, 4th, 5th and 6th June 2010. Trade stand holders appeared to have a reasonable year with us in 2009 but there is no doubt that 2010 is going to be a difficult too so once again my committee have recognised the pressure you will be under you can reduce you stand fee by 5% if you pay in full by Friday March 19th (just after Crufts). Invoices will be sent out, as usual in early April for full payment by early May

Last year's exhibitors are being circulated seven days prior to new applications, so an early response is essential as space will be allocated in strict order of receipt.

Please note that my committee has instructed me that there can be no exceptions to this procedure.

Signing the application form constitutes a contract between you (or your company) and SCCA that accepts the regulations hereunder. **You should keep this portion of the form** so that your staff are aware of them. They are as simple and straightforward and sensible as we can make them. Please ensure that they are observed

Regulations:

All stands must have a defined area so it is essential that you have a tent, an awning or an exhibition unit if you are attending. 'Open' stands or tables are not acceptable.

No vehicles may move across the showground except along those routes designated on the plan that will be sent to you

No stands may re-stock or strike during the times that the show is officially open

Vehicles may arrive and park on the car park area any time from 12 noon Tuesday 1st June but will not actually be allowed onto the showground for setting up until 12.00 noon on Wednesday except by special arrangement.

No dogs and/or children may be resident on the showground itself (One caravan may be parked behind or be a part of the stand. Separate caravan facilities are available if required but must be booked in advance with this application)

The Trade Stand Manager, Show Ground Manager or Show Manager's decision on any matter of dispute is final

All trade stands must be equipped with at least one fire extinguisher and all stands must have 3rd Party Public Limited Liability Insurance

Stand Fees: (No VAT is payable)

All canine related products and services:

£80 per mtr (must include full length including tow bars)

Fast Food:

£160 per mtr (must include full length including tow bars)

An invoice and plan of the Showground showing your allocated site will be sent to you prior to the show. We reserve the right to re-allocate your site if the fee has not been paid by Wednesday 20th May. Fees are payable once our invoice has been received and are not refundable.

Please note that we are unable to arrange tenting through our contractors.

The show layout will be different this year but Southern Counties has always recognised the importance of the trade to our exhibitors so although it will be different it should not affect access to you.

I should also be pleased to accept your advertising instructions for the schedule and catalogue. The rates are 'per insertion' so an advertisement in the catalogue (all three days) would count as three insertions.

Please ensure you complete the attached form completely. If we have your website address we will include a link on our Southern Counties Web site

Yours sincerely,

I should like to reserve a site at the
Southern Counties Championship Show on
Friday, Saturday and Sunday, 4th, 5th and 6th June, 2010
